# SUMMER Reading Assignment

Use the BINGO board below to choose your summer reading. You need to complete three reading choices in a row, either across, down, or diagonal! Your book choices should be at or slightly above grade-level.

After each reading, complete one of the activities below. Choose a different activity for each of your 3 reading choices! You will turn in your three activities (stapled together with this sheet in the front of the packet) by Friday, August 19th. It is worth a project/test grade. If you complete a Blackout (by completing the entire BINGO Board), you will get a special prize!

Click the links below to see and print directions for each activity, as well as examples.
